## Why the Women Veteran Health Expo?

It is an opportunity to increase the awareness of women Veteran issues; to learn about what works well and what doesn't in our State; and to discuss what changes are needed to improve the health of women Veteran.

## What will it offer?

Presentations and panel discussions from women Veterans and experts within the field. Exhibitors with free resources, information and education.

## Who will be there?

Military women, women Veterans, physicians, psychologists, nurses, social workers, pharmacists, clinical and administrative leaders, community liaisons, VA medical centers, State health departments, Veteran Service Organizations, universities, non-profit & community agencies, AL Department of Veterans Affairs, and more ...

## Who are organizers

Organized by Birmingham VA Medical Center's Women's Health Program, Alabama Department of Mental Health, Alabama Department of Public Health, and AlaVetNet. Supported by Still Serving Veterans, Alabama AHEC, and BVAMC Voluntary Services.

## How do I register
