

Proviso for Virtual House of Delegates

According to the ASNA Bylaws the House of Delegates (HOD) is the governing and official voting body of ASNA. The HOD normally meets in conjunction with the ASNA Annual Convention. Restrictions related to the global pandemic have precluded the usual practice of an in person Annual Convention and HOD. ASNA, following the example of our parent organization, the American Nurses Association made the decision in the best interest of our members to hold a Virtual HOD. The ASNA Board of Directors unanimously voted a proviso to hold the Virtual HOD. This Proviso will remain in place until the 2021 Annual Convention. Robert's Rules of Order will determine the procedural process of the HOD.
